

A romantic wedding photograph of a bride and groom. The bride, on the left, has blonde hair styled in an updo and wears a white wedding dress with a thin gold necklace and large gold earrings. She holds a large bouquet of white roses and eucalyptus. The groom, on the right, has a beard and wears a dark blue suit. They are standing close, foreheads touching, in a romantic pose. The background is a soft-focus outdoor setting with hills. The text 'daisy lane' is overlaid in a white serif font, with 'WEDDINGS' in a smaller sans-serif font below it. A decorative line with two daisy icons connects the text to the bouquet.

# FAQs

## WHEN CAN WE EXPECT OUR WEDDING PHOTOS?

You can expect a sneak peak within 3 days, and the full gallery in 4-8 weeks!

## HOW MANY PHOTOS WILL WE RECEIVE?

This depends on your package length and how many shooters you book, we estimate roughly 400 for a half day and 800 for a full day. However we don't cap it at that, we don't believe in deleting precious memories!

## HOW DO I BOOK IN A PACKAGE?

Email us directly or through our website form with the package you'd like to book in and if we have your date available we'll send you our contract and invoice for the 10% deposit

## DO YOU EDIT OR RE-TOUCH?

At Daisy Lane we believe in capturing authentic, natural moments in the most flattering way we can. As such we prefer to focus on editing (lighting, crop, colouring) and limit re-touching (warping body shapes, removing skin imperfections) to things such as removing bridesmaids in wedding dress tossing photos

## DO YOU WORK WITH OTHER PHOTOGRAPHY AND VIDEOGRAPHY COMPANIES?

We recommend booking a combination package with us so that your photo and video style match beautifully. We also prefer working with our own small team of photographers and videographers on the day because we're experienced at working well together and staying out of each other's camera angles. However, we often shoot alongside other photo or video companies at weddings and have absolutely no problem with it!

## WHEN CAN WE EXPECT OUR WEDDING VIDEO?

In general you can expect your Highlight Film in approximately 2-4 weeks and full length wedding films in approximately 4-8 weeks.

## CAN WE EXTEND THE LENGTH OF OUR WEDDING FILM?

Absolutely you can! The Wedding Film lengths included in the packages are the recommended film length for that event duration, however this can be adjusted to be longer or shorter to better fit your needs and budget IF you organise it before the day. Contact us for a custom package if this is something you're interested in!

## CAN WE PURCHASE THE RAW VIDEO FOOTAGE OR PHOTOS?

We don't sell raw video footage or photos HOWEVER I do offer all the unclipped, colour-graded video files exported as mp4s as an optional add-on for videography packages if you wanted some additional memories from your day!
